

I am urging you to think and act on behalf of the DEMOCRACY that we are supposed to be! You can start doing the right thing NOW, or simply wait till it all comes out to the American people anyway, as it has already begun to do.

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is a clear example of the dangers of media consolidation.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard.

Thank you.
